La Unica Emisora del País con Banda Lateral Unica Compatible

La Emisora que Ud. escucha por su Calidad y no por Casualidad

Dear Sir:

Tnx very much for your nice report. Sorry we are late en sending you a QSL card. We have been assigned a-new frecuency: 670 Kcs. Would you be so kind to check us and try to report our signal? Our power output: 10 Kw. Antena: Omnidirectional tower at 7,000 feet high.

tnx again and hope to hear from you soom.
